"For those who know
her not
No words can paint,
And those who know
her
Know all words are
faint."

Dedication

For her guidance and wisdom at the most confused moments of our lives, for having true strength when we needed her strength, for devotion and dedication to the finest principles in life, we, the graduating class of 1957 dedicate, this, our KALEIDOSCOPE, to

MARY HELEN BURCH

with the full realization that any success which may be ours in years to come may be credited largely to her shining example.

Foreword

Class of '57

The years passed so swiftly as you ascended the stairways of learning, and each memory becomes more and more a part of you as the years progress. A smile, a word, a fleeting glance - all of these revolve around the thoughts of Hopewell High School. To make these pictures more clear, we, The KALEIDOSCOPE Staff, have tried to capture those moments for you. Each sincere effort of ours has been made with the hope that these cherished thoughts will be yours to keep throughout the years to come.

THE PLAYER:

He lives clean and plays hard.
 He plays for the love of the game,
 he wins without boasting.
 He loses without excuses and he
 never quits.
 He respects officials and accepts
 their decisions without ques-
 tion.
 He never forgets that he represents
 his school.

THE COACH:

He inspires in his boys a love for
 the game and the desire to
 win.
 He teaches them that it is better
 to lose fairly than to win un-
 fairly.
 He teaches players and spectators
 to respect officials by setting
 them a good example.
 He is the type of man he wants
 his boys to be.

Our Hero

Ray Hash, our reliable photographer is a familiar sight in the halls of Hopewell High School. His cheerful smile and ready service make him a favorite of the annual staff. In appreciation for his faithful work, we name Ray Hash, The Hero of the 1957 KALEIDOSCOPE Staff.

"There is but one virtue --
The eternal sacrifice of self."

PATRICIA PITTMAN

The last bell
has rung, and the halls
are strangely quiet. We have
turned the last leaf of our book and
with it we close the covers of our high
school journal.

We, the Staff, present this KALEIDOSCOPE to you,
the students of Hopewell High School, in behalf of the Class
of '57, with the hope that the echoes of our voices will linger on in
these halls through the pages of our book.

If in reading it in years to come, it recaptures some of the memories of this
year we have spent together, we will be happy in the realization that we have done
the job we were called upon to do.

LESSON IN
BETTER LIVING!

Yes, MODERN ELECTRIC LIVING is *better* living! Today, private enterprise supplies more power to more people in more ways than ever before!

That means more jobs, created by increased uses of electricity . . . more leisure, due to labor saving electrical equipment. So take a tip from Reddy: LIVE BETTER—ELECTRICALLY!

an interesting job

You'll find it at the telephone company, where there's a variety of fascinating jobs for alert, capable young women who qualify.

You'll work in pleasant surroundings with many people about your own age...receive good pay while learning...get regular raises. And you don't need any experience.

Best of all, a telephone job is a satisfying job because you know you're helping almost everyone in your community. Why not find out more about the advantages of telephone work?
